

AGILENT TECHNOLOGIES, INC. DOCKET NUMBER 10030984-1

CONCLUSION

Applicant respectfully requests the above-listed four amendments to the specification. The first proposed amendment deletes a redundantly presented paragraph. The second through fourth proposed amendments correct a font printing error wherein the greek font "Δ" was inadvertently printed as the non-greek font "D" in several instances. There is no substantive change to the specification and no new matter has been added.

Applicant respectfully requests the acceptance of the replacement drawing sheets attached to this paper. There are no substantive changes to the drawing sheets and now new matter has been added.

Respectfully submitted,
